PROSPECTUS SUPPLEMENT TO THE SHORT FORM BASE SHELF PROSPECTUS DATED JUNE 6, 2013

New Issue

July 10, 2014

ENBRIDGE INC.

\$350,000,000

14,000,000 Cumulative Redeemable Preference Shares, Series 13

Enbridge Inc. (the “**Corporation**”) is hereby qualifying the distribution (the “**Offering**”) of 14,000,000 cumulative redeemable preference shares, Series 13 (“**Series 13 Shares**”) of the Corporation at a price of \$25.00 per Series 13 Share. See “Details of the Offering” and “Plan of Distribution”.

The holders of Series 13 Shares will be entitled to receive, as and when declared by the board of directors of the Corporation (the “**Board**”) out of moneys of the Corporation properly applicable to the payment of dividends, fixed, cumulative, preferential cash dividends for the initial period from and including the date of issue of the Series 13 Shares to but excluding June 1, 2020 (the “**Initial Fixed Rate Period**”), at an annual rate of \$1.10 per Series 13 Share, payable quarterly on the first day of March, June, September and December in each year (less any tax required to be deducted and withheld by the Corporation). If any such date is not a business day, the dividend will be paid on the next succeeding business day. Assuming an issue date of July 17, 2014, the first dividend, if declared, will be payable December 1, 2014 in the amount of \$0.4129 per Series 13 Share.

For every five-year period after the Initial Fixed Rate Period (each a “**Subsequent Fixed Rate Period**”, as defined herein), the holders of Series 13 Shares shall be entitled to receive, as and when declared by the Board, fixed, cumulative, preferential cash dividends, payable quarterly on the first day of March, June, September and December in each year, in the amount per share equal to the Annual Fixed Dividend Rate (as defined herein) for such Subsequent Fixed Rate Period. The Annual Fixed Dividend Rate for the ensuing Subsequent Fixed Rate Period will be determined by the Corporation on the Fixed Rate Calculation Date (as defined herein) and will be equal to the sum of the Government of Canada Yield (as defined herein) on the Fixed Rate Calculation Date plus a spread of 2.66%. This spread will remain unchanged over the life of the Series 13 Shares. See “Details of the Offering”.

The Series 13 Shares shall not be redeemable prior to June 1, 2020. On June 1, 2020, and on June 1 in every fifth year thereafter, the Corporation may, at its option, upon not less than 30 days and not more than 60 days prior written notice, redeem for cash all or any part of the outstanding Series 13 Shares by the payment of \$25.00 per Series 13 Share plus all accrued and unpaid dividends (less any tax required to be deducted and withheld by the Corporation). See “Details of the Offering”.

Option to Convert into Series 14 Shares

The holders of the Series 13 Shares will have the right to convert all or any of their Series 13 Shares into cumulative redeemable preference shares, Series 14 of the Corporation (the “**Series 14 Shares**”), subject to certain conditions as described herein, on June 1, 2020 and on June 1 in every fifth year thereafter. The holders of the Series 14 Shares will be entitled to receive, as and when declared by the Board, quarterly floating rate cumulative preferential cash dividends payable on the first day of March, June, September and December in each year (each such quarterly dividend period is referred to as a “**Quarterly Floating Rate Period**”, as defined herein) in the amount per share determined by multiplying the Floating Quarterly Dividend Rate (as defined herein) for such Quarterly Floating Rate Period by \$25.00 and multiplying that product by a fraction, the numerator of which is the actual number of days in such Quarterly Floating Rate Period and the denominator of which is 365 or 366, depending upon the actual number of days in the applicable year (less any tax required to be deducted and withheld by the Corporation). If any such date is not a business day, the dividend will be paid on the next succeeding business day. The Floating Quarterly Dividend Rate will be the annual rate of interest equal to the sum of the T-Bill Rate (as defined herein) on the applicable Floating Rate Calculation Date (as defined herein) plus a spread of 2.66%. See “Details of the Offering”.

The Series 13 Shares and Series 14 Shares are series of shares in the same class. The conversion right entitles holders to elect periodically which of the two series they wish to hold and does not entitle holders to receive a different class or type of securities. Other than the different dividend rights and redemption rights attached thereto, the Series 13 Shares and Series 14 Shares are identical in all material respects.

Price: \$25.00 per Series 13 Share to initially yield 4.40% per annum

	Price to the Public	Underwriting Commission ⁽¹⁾	Net Proceeds to the Corporation ⁽²⁾
Per Series 13 Share	\$25.00	\$0.75	\$24.25
Total	\$350,000,000	\$10,500,000	\$339,500,000

- Notes:**
- (1) The Underwriters’ fee for the Series 13 Shares is \$0.25 for each share sold to certain institutions by closing of the Offering, and \$0.75 per share for all other Series 13 Shares purchased by the Underwriters (as defined herein). The Underwriters’ fee indicated in the table assumes that no Series 13 Shares are sold to such institutions.
- (2) Before deducting the estimated expenses of the Offering of approximately \$300,000. The expenses of the Offering will be paid from the general funds of the Corporation.

There is no market through which the Series 13 Shares may be sold and purchasers may not be able to resell Series 13 Shares purchased under this Prospectus Supplement. This may affect the pricing of the Series 13 Shares in the secondary market, the transparency and availability of trading prices, the liquidity of the Series 13 Shares and the extent of issuer regulation. See “Risk Factors”.

The Toronto Stock Exchange (the “**TSX**”) has conditionally approved the listing of the Series 13 Shares and Series 14 Shares described in this Prospectus Supplement. Listing is subject to the Corporation fulfilling all the listing requirements of the TSX. There can be no assurance that the Series 13 Shares and Series 14 Shares will be accepted for listing on the TSX.

It is currently anticipated that the closing date of the Offering (the “**Offering Closing Date**”) will be on or about July 17, 2014, or such later date as the Corporation and the Underwriters may agree but in any event not later than July 31, 2014. See “Details of the Offering”.

The terms of the Offering were determined by negotiations between the Corporation and CIBC World Markets Inc., RBC Dominion Securities Inc., Scotia Capital Inc., TD Securities Inc., BMO Nesbitt Burns Inc., National Bank Financial Inc., Desjardins Securities Inc., HSBC Securities (Canada) Inc., Canaccord Genuity Corp., FirstEnergy Capital Corp., GMP Securities L.P. and Peters & Co. Limited (collectively, the “**Underwriters**”).

The Underwriters, as principals, conditionally offer the Series 13 Shares, subject to prior sale, if, as and when issued by the Corporation to, and accepted by, the Underwriters in accordance with the conditions contained in the Underwriting Agreement referred to under “Plan of Distribution”, and subject to the approval of certain legal matters relating to the Offering on behalf of the Corporation by McCarthy Tétrault LLP and on behalf of the Underwriters by Dentons Canada LLP.

Subscriptions for Series 13 Shares will be received subject to rejection or allotment in whole or in part and the Underwriters reserve the right to close the subscription books at any time without notice. Book-entry only certificates representing the Series 13 Shares will be issued in registered form to CDS Clearing and Depository Services Inc. (“**CDS**”) or its nominee and will be deposited with CDS on the Offering Closing Date. A purchaser of Series 13 Shares will receive only a customer confirmation from a registered dealer which is a CDS participant and from or through which the Series 13 Shares are purchased. See “Depository Services”.

Subject to applicable laws, the Underwriters may, in connection with the Offering, over-allot or effect transactions which stabilize or maintain the market price of the Series 13 Shares at levels other than those which might otherwise prevail on the open market. **The**

Underwriters propose to offer the Series 13 Shares initially at the offering price specified above. After a reasonable effort has been made to sell all of the Series 13 Shares at the price specified, the Underwriters may reduce the selling price to investors from time to time in order to sell any of the Series 13 Shares remaining unsold. Any such reduction will not affect the proceeds received by the Corporation. See “Plan of Distribution”.

In the opinion of counsel, the Series 13 Shares and the Series 14 Shares, if issued on the date hereof, generally would be qualified investments under the *Income Tax Act* (Canada) (the “**Tax Act**”) for certain tax-exempt trusts. See “Eligibility for Investment”.

Investing in the Series 13 Shares involves certain risks. See “Risk Factors” in the accompanying Prospectus and in this Prospectus Supplement.

Each of the Underwriters is, directly or indirectly, a subsidiary or an affiliate of a lender which is one of the lenders to the Corporation or its subsidiaries and to which the Corporation or its subsidiaries is currently indebted. Consequently, the Corporation may be considered a connected issuer of the Underwriters for the purposes of securities regulations in certain provinces of Canada. The net proceeds from this Offering may be used to reduce the Corporation’s indebtedness to such lenders. See “Relationship Between the Corporation’s Lenders and the Underwriters” and “Use of Proceeds”.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

The Prospectus and this Prospectus Supplement, including documents incorporated by reference into the Prospectus and this Prospectus Supplement, contain both historical and forward-looking statements within the meaning of Section 27A of the U.S. Securities Act and Section 21E of the U.S. Exchange Act. This information has been included to provide readers with information about the Corporation and its subsidiaries, including management's assessment of the Corporation and its subsidiaries' future plans and operations. This information may not be appropriate for other purposes. Forward-looking statements are typically identified by words such as "anticipate", "expect", "project", "estimate", "forecast", "plan", "intend", "target", "believe" and similar words suggesting future outcomes or statements regarding an outlook. Forward-looking information or statements included or incorporated by reference in the Prospectus and this Prospectus Supplement include, but are not limited to, statements with respect to: expected earnings/(loss) or adjusted earnings/(loss); expected earnings/(loss) or adjusted earnings/(loss) per share; expected future cash flows; expected costs related to projects under construction; expected in-service dates for projects under construction; expected capital expenditures; estimated future dividends; and expected costs related to leak remediation and potential insurance recoveries.

Although the Corporation believes that these forward-looking statements are reasonable based on the information available on the date such statements are made and processes used to prepare the information, such statements are not guarantees of future performance and readers are cautioned against placing undue reliance on forward-looking statements. By their nature, these statements involve a variety of assumptions, known and unknown risks and uncertainties and other factors, which may cause actual results, levels of activity and achievements to differ materially from those expressed or implied by such statements. Material assumptions include assumptions about:

- the expected supply and demand for crude oil, natural gas, natural gas liquids and green energy;
- prices of crude oil, natural gas, natural gas liquids and green energy;
- expected exchange rates, inflation and interest rates;
- the availability and price of labour and pipeline construction materials;
- operational reliability;
- customer and regulatory project approvals;
- maintenance of support and regulatory approvals for the Corporation's projects;
- anticipated in-service dates; and
- weather.

Assumptions regarding the expected supply and demand of crude oil, natural gas, natural gas liquids and green energy, and the prices of these commodities, are material to and underlie all forward-looking statements. These factors are relevant to all forward-looking statements as they may impact current and future levels of demand for the Corporation's services. Similarly, exchange rates, inflation and interest rates impact the economies and business environments in which the Corporation operates, may impact levels of demand for the Corporation's services and cost of inputs, and are therefore inherent in all forward-looking statements. Due to the interdependencies and correlation of these macroeconomic factors, the impact of any one assumption on a forward-looking statement cannot be determined with certainty, particularly with respect to expected earnings/(loss) or adjusted earnings/(loss) and associated per share amounts, or estimated future dividends. The most relevant assumptions associated with forward-looking statements on projects under construction, including estimated in-service dates and expected capital expenditures, include:

- the availability and price of labour and pipeline construction materials;
- the effects of inflation and foreign exchange rates on labour and material costs;
- the effects of interest rates on borrowing costs; and
- the impact of weather and customer and regulatory approvals on construction schedules.

The Corporation's forward-looking statements are subject to risks and uncertainties pertaining to operating performance, regulatory parameters, project approval and support, weather, economic and competitive conditions, exchange rates, interest rates, commodity prices and supply and demand for commodities, including but not limited to those risks and uncertainties discussed in the Prospectus and this Prospectus Supplement and in documents incorporated by reference into the Prospectus and this Prospectus Supplement. The impact of any one risk, uncertainty or factor on a particular forward-looking statement is not determinable with certainty as these are interdependent and the Corporation's future course of action depends on management's assessment of all information available at the relevant time. Except to the extent required by applicable Canadian law, the Corporation assumes no obligation to publicly update or revise any forward-looking statements made in the Prospectus and this Prospectus Supplement or otherwise, whether as a result of new information, future events or otherwise. All subsequent forward-looking statements, whether written or oral, attributable to the Corporation or persons acting on the Corporation's behalf, are expressly qualified in their entirety by these cautionary statements.

RECENT DEVELOPMENTS

Line 3 Replacement

On March 3, 2014, the Corporation and Enbridge Energy Partners, L.P. ("**EEP**") announced that shipper support was received for an approximate \$7 billion investment in their Canadian and United States mainline system running from Edmonton, Alberta to Superior, Wisconsin (collectively, the "**L3R Program**"). The Canadian portion of the L3R Program (the "**Canadian L3R Program**") will complement existing integrity programs by replacing approximately 1,084-kilometres (673-miles) of the remaining line segments of the existing Line 3 pipeline between Hardisty, Alberta and Gretna, Manitoba. While the L3R Program will not provide an increase in the overall capacity of the mainline system, it will support the safety and operational reliability of the system, enhance flexibility and allow the Corporation to optimize throughput. The L3R Program is expected to achieve an equivalent 34-inch diameter pipeline capacity of approximately 760,000 bpd.

On June 18, 2014, the Corporation and EEP announced that the final scope and cost estimate for the L3R Program is approximately \$7.5 billion. The agreement between Enbridge and its mainline shippers includes an international joint tariff ("**IJT**") surcharge to provide return on and of the capital investment. The IJT surcharge will be adjusted to reflect 75% of the increase in the incremental investment required. Substantially all of the increase in the final estimate applies to the Canadian L3R Program, estimated to cost approximately \$4.9 billion. The U.S. portion of the program is estimated to cost approximately US\$2.6 billion. The U.S. program will be funded jointly by Enbridge and EEP at participation levels to be finalized and approved by a special committee of the board of directors of EEP.

Subject to the finalization of regulatory and other approvals, the Canadian L3R Program is targeted to be completed in the second half of 2017.

Northern Gateway

On June 17, 2014, the Corporation announced that, pursuant to the recommendation of an independent body established by the Minister of the Environment and the National Energy Board to review the project (the "Joint Review Panel"), the Northern Gateway pipeline project has received Governor in Council approval by the Canadian federal government. The recommendation is subject to the 209 conditions set out by the Joint Review Panel. The Corporation has emphasized its commitment to achieving world class standards for safety and environmental protection while working toward the satisfaction of the 209 conditions, working with the Province of British Columbia on the five conditions for the support of major pipeline projects in the province and to continue to engage with Aboriginal communities. The Northern Gateway pipeline project includes a 1,177 km twin pipeline system from Bruderheim,

Alberta to Kitimat, British Columbia and marine terminal located on Canada's west coast. The Northern Gateway pipeline, upon completion, is expected to transport approximately 525,000 bpd of oil for export and import approximately 193,000 bpd of condensate.

Executive Changes

On June 18, 2014, the Corporation announced that J. Richard Bird, Executive Vice President, Chief Financial Officer & Corporate Development, plans to retire by the end of 2014. Upon Mr. Bird's retirement, his responsibilities will be split into two separate roles of chief financial officer and chief development officer. Enbridge also announced the appointment of John Whelen as Senior Vice President, Finance and of Vern Yu as Senior Vice President, Corporate Development, both reporting to Mr. Bird, effective July 1st, 2014.

USE OF PROCEEDS

The net proceeds to the Corporation from the Offering will be approximately \$339,200,000, after deducting \$10,500,000 in underwriting commission and \$300,000 in estimated expenses of the Offering and assuming no Series 13 Shares are sold to certain institutions as described under "Plan of Distribution".

The net proceeds of the Offering will be used to partially fund capital projects and to reduce short term indebtedness of the Corporation and its affiliates, which short term indebtedness was used to fund the Corporation's capital program, and for other general corporate purposes of the Corporation and its affiliates. The Corporation may invest funds that it does not immediately require in short term marketable debt securities.

CHANGES IN CONSOLIDATED CAPITALIZATION

Other than (i) the effect of changes in foreign currency exchange rates on United States dollar denominated loans, (ii) the issuance by the Corporation of 20,000,000 cumulative redeemable preference shares, series 11 (the "**Series 11 Shares**") pursuant to a prospectus supplement dated May 14, 2014, 9,039,000 Common Shares pursuant to a prospectus supplement dated June 19, 2014, and US\$500,000,000 principal amount of unsecured floating rate senior notes, US\$500,000,000 principal amount of 3.50% unsecured senior notes and US\$500,000,000 principal amount of 4.50% unsecured senior notes (collectively, the "**U.S. Notes**") pursuant to a prospectus supplement dated May 28, 2014, and (iii) the issuance by Enbridge Gas Distribution Inc. ("**EGD**") of \$300,000,000 principal amount of 1.85% unsecured medium term notes (the "**EGD Notes**") pursuant to a third pricing supplement dated April 16, 2014, there have been no material changes in the share and loan capital of the Corporation on a consolidated basis from March 31, 2014 to the date of this Prospectus Supplement. After giving effect to the Offering, the shareholders' equity of the Corporation will increase by the amount of the net proceeds of the Offering and the issued and outstanding Series 13 Shares will increase by 14,000,000 shares. After giving effect to the Offering and the use of proceeds as discussed herein, assuming such funds are initially used to pay down short term indebtedness, the short term indebtedness of the Corporation will be reduced by approximately \$339,200,000 (assuming no institutional sales of Series 13 Shares).

The Corporation is authorized to issue an unlimited number of preference shares without nominal or par value, issuable in series and, with respect to each series, the Board shall fix the number of shares comprising the series and determine the designation, rights, privileges, restrictions and conditions attaching to the shares of the series, subject to certain limitations.

The preference shares of each series shall rank on parity with the preference shares of every other series with respect to priority in the payment of dividends and with respect to priority on the return of capital or any other distribution of assets of the Corporation in the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary (a “**liquidation distribution**”).

The preference shares of each series shall be entitled to preferences over the Common Shares and any other shares of the Corporation (together, the “**junior shares**”) that may rank junior to the preference shares with respect to priority in the payment of dividends and with respect to priority on a liquidation distribution. Subject to certain limitations, the Board may give the preference shares of any series such other preferences over the junior shares as the Board sees fit.

The holders of preference shares of a series shall not be entitled to receive notice of or to attend or vote at meetings of the shareholders of the Corporation except as required by law. At any meeting of the holders of the preference shares as a class or at any joint meeting of the holders of two or more series of the preference shares, each holder of preference shares entitled to vote thereat shall have on a poll one one-hundredth of a vote in respect of each dollar of the issue price of each share held, and the formalities to be observed with respect to the giving of notice of any such meeting, the quorum therefor and the conduct thereof shall *mutatis mutandis* be those then prescribed by the Corporation’s by-laws or standing Board resolutions with respect to meetings of shareholders.

Certain Provisions of the Series 13 Shares

Issue Price

The Series 13 Shares will have an issue price of \$25.00 per share.

Dividends on Series 13 Shares

During the Initial Fixed Rate Period, the holders of the Series 13 Shares shall be entitled to receive and the Corporation shall pay, as and when declared by the Board, out of the moneys of the Corporation properly applicable to the payment of dividends, fixed cumulative preferential cash dividends at an annual rate of \$1.10 per share, payable quarterly on each Dividend Payment Date in each year (less any tax required to be deducted and withheld by the Corporation). The first dividend, if declared, shall be payable on December 1, 2014, and, notwithstanding the foregoing, shall be in the amount of \$0.4129 per share, being the amount that is determined by multiplying \$1.10 by the number of days in the period from and including the anticipated date of issue of the Series 13 Shares of July 17, 2014, to but excluding December 1, 2014, and dividing that product by 365 (less any tax required to be deducted and withheld by the Corporation).

During each Subsequent Fixed Rate Period, the holders of the Series 13 Shares shall be entitled to receive and the Corporation shall pay, as and when declared by the Board, out of the moneys of the Corporation properly applicable to the payment of dividends, fixed cumulative preferential cash dividends, payable quarterly on each Dividend Payment Date, in the amount per share equal to the Annual Fixed Dividend Rate for such Subsequent Fixed Rate Period.

On each Fixed Rate Calculation Date, the Corporation shall determine the Annual Fixed Dividend Rate for the ensuing Subsequent Fixed Rate Period. The Corporation shall, on each Fixed Rate Calculation Date, give written notice of the Annual Fixed Dividend Rate for the ensuing Subsequent Fixed Rate Period to the registered holders of the then outstanding Series 13 Shares.

Redemption of Series 13 Shares

The Series 13 Shares shall not be redeemable prior to June 1, 2020. Subject to the provisions described under “Certain Provisions of the Series 13 Shares - Restrictions on Payments and Reductions of Capital”, on June 1, 2020 and on June 1 in every fifth year thereafter, the Corporation may, at its option, redeem all or any part of the Series 13 Shares by the payment of an amount in cash for each share to be redeemed equal to \$25.00 plus all accrued and unpaid dividends thereon to but excluding the date fixed for redemption (less any tax required to be deducted and withheld by the Corporation). Should any such date not be a business day, the redemption date will be the next succeeding business day.

Notice of any redemption of Series 13 Shares will be given by the Corporation not more than 60 days and not less than 30 days prior to the date fixed for redemption. If less than all of the outstanding Series 13 Shares are at any time to be redeemed, the shares so to be redeemed shall be selected by lot in such manner as the Board or the transfer agent, if any, appointed by the Corporation in respect of such shares shall decide, or, if the Board so decides, such shares may be redeemed pro rata (disregarding fractions).

If the Corporation gives notice to the holders of the Series 13 Shares of the redemption of all of the Series 13 Shares, the right of a holder of Series 13 Shares to convert such Series 13 Shares shall terminate and the Corporation shall not be required to give notice to the registered holders of the Series 13 Shares of an Annual Fixed Dividend Rate, a Floating Quarterly Dividend Rate or the conversion right of holders of Series 13 Shares.

Conversion of Series 13 Shares into Series 14 Shares

The Series 13 Shares shall not be convertible prior to June 1, 2020. Holders of Series 13 Shares shall have the right to elect to convert on each Series 13 Conversion Date, subject to restrictions on conversion described below, all or any of their Series 13 Shares into Series 14 Shares on the basis of one Series 14 Share for each Series 13 Share. Notice of a holder's intention to convert Series 13 Shares must be received by the transfer agent and registrar for the Series 13 Shares at its principal office in Toronto or Calgary not earlier than the 30th day prior to, but not later than 5:00 p.m. (Toronto time) on the 15th day preceding, a Series 13 Conversion Date. Once received by the transfer agent and registrar on behalf of the Corporation, the election of a holder to convert is irrevocable.

The Corporation shall, not more than 60 days and not less than 30 days prior to the applicable Series 13 Conversion Date, give notice to the then registered holders of the Series 13 Shares of the conversion right. On the 30th day prior to each Series 13 Conversion Date, the Corporation shall give notice to the then registered holders of the Series 13 Shares of the Annual Fixed Dividend Rate for the Series 13 Shares for the next succeeding Subsequent Fixed Rate Period and the Floating Quarterly Dividend Rate for the Series 14 Shares for the next succeeding Quarterly Floating Rate Period.

Automatic Conversion

Holders of Series 13 Shares shall not be entitled to convert their shares into Series 14 Shares if the Corporation determines that there would remain outstanding on a Series 13 Conversion Date less than 1,000,000 Series 14 Shares, after having taken into account all Series 13 Shares tendered for conversion into Series 14 Shares and all Series 14 Shares tendered for conversion into Series 13 Shares. Furthermore, if the Corporation determines that there would remain outstanding on a Series 13 Conversion Date less than 1,000,000 Series 13 Shares, after having taken into account all Series 13 Shares tendered for conversion into Series 14 Shares and all Series 14 Shares tendered for conversion into Series 13 Shares, then all of the remaining outstanding Series 13 Shares shall be converted automatically into Series 14 Shares on the basis of one Series 14 Share for each Series 13 Share on the applicable Series 13 Conversion Date.

The Corporation reserves the right not to deliver Series 14 Shares to any person that the Corporation or its transfer agent has reason to believe is a person whose address is in, or that the Corporation or its transfer agent has reason to believe is a resident of, any jurisdiction outside Canada if such delivery would require the Corporation to take any action to comply with the securities laws of such jurisdiction.

The Series 13 Shares and Series 14 Shares are series of shares in the same class. The conversion right entitles holders to elect periodically which of the two series they wish to hold and does not entitle holders to receive a different class or type of securities. Other than the different dividend rights and redemption rights attached thereto, the Series 13 Shares and Series 14 Shares are identical in all material respects.

Purchase for Cancellation

Subject to the provisions described under “Certain Provisions of the Series 13 Shares - Restrictions on Payments and Reductions of Capital”, the Corporation may from time to time purchase for cancellation all or any part of the Series 13 Shares at any price by tender to all holders of Series 13 Shares or through the facilities of any stock exchange on which the Series 13 Shares are listed, or in any other manner, provided that in the case of a purchase in any other manner the price for such Series 13 Shares so purchased for cancellation shall not exceed the highest price offered for a board lot of Series 13 Shares on any stock exchange on which such shares are listed on the date of purchase for cancellation, plus costs of purchase.

Rights on Liquidation

In the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or any other distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs, the holders of the Series 13 Shares shall be entitled to receive \$25.00 per Series 13 Share together with all accrued and unpaid dividends thereon (less any tax required to be deducted and withheld by the Corporation) before any amount shall be paid or any property or assets of the Corporation shall be distributed to the holders of the junior shares. After payment to the holders of the Series 13 Shares of the amount so payable to them, they shall not, as such, be entitled to share in any further distribution of the property or assets of the Corporation.

Restrictions on Payments and Reductions of Capital

So long as any Series 13 Shares are outstanding, the Corporation shall not:

- (a) call for redemption, purchase, reduce stated capital maintained by the Corporation or otherwise pay off less than all of the Series 13 Shares and all other preference shares of the Corporation then outstanding ranking prior to or on parity with the Series 13 Shares with respect to payment of dividends;
- (b) declare, pay or set apart for payment any dividends (other than stock dividends in shares of the Corporation ranking junior to the Series 13 Shares) on the Common Shares or any other shares ranking junior to the Series 13 Shares with respect to payment of dividends; or
- (c) call for redemption of, purchase, reduce stated capital maintained by the Corporation or otherwise pay for any shares of the Corporation ranking junior to the Series 13 Shares with respect to repayment of capital or with respect to payment of dividends,

unless all dividends up to and including the dividends payable on the last preceding dividend payment dates on the Series 13 Shares and on all other preference shares then outstanding ranking prior to or on a parity with the Series 13 Shares with respect to payment of dividends shall have been declared and paid or set apart for payment at the date of any such action.

Voting Rights

The holders of Series 13 Shares shall not be entitled to receive notice of or to attend or vote at meetings of the shareholders of the Corporation, except as required by law. At any meeting of the holders of the preference shares as a class or at any joint meeting of the holders of two or more series of the preference shares, each holder of preference shares entitled to vote thereat shall have on a poll one one-hundredth of a vote in respect of each dollar of the issue price of each shareholder.

Tax Election

The Series 13 Shares will be “taxable preferred shares” as defined in the Tax Act for purposes of the tax under Part IV.1 of the Tax Act applicable to certain corporate holders of the Series 13 Shares. The terms of the Series 13 Shares require the Corporation to make the necessary election under Part VI.1 of the Tax Act so that such corporate holders will not be subject to the tax under Part IV.1 of the Tax Act on dividends received (or deemed to be received) on the Series 13 Shares. See “Certain Canadian Federal Income Tax Considerations — Dividends”.

Business Day

If any day on which any dividend on the Series 13 Shares is payable by the Corporation or on or by which any other action is required to be taken by the Corporation is not a business day, then such dividend shall be payable and such other action may be taken on or by the next succeeding day that is a business day. For the purposes hereof, “business day” shall mean a day on which banks are generally open for business in each of Calgary, Alberta and Toronto, Ontario.

Certain Provisions of the Series 14 Shares

Issue Price

The Series 14 Shares will be issuable only upon conversion of Series 13 Shares and will have an ascribed issue price of \$25.00 per share.

Dividends on Series 14 Shares

During each Quarterly Floating Rate Period, the holders of the Series 14 Shares shall be entitled to receive and the Corporation shall pay, as and when declared by the Board, out of the moneys of the Corporation properly applicable to the payment of dividends, cumulative preferential cash dividends, payable on each Dividend Payment Date, in the amount per share determined by multiplying the Floating Quarterly Dividend Rate for such Quarterly Floating Rate Period by \$25.00 and multiplying that product by a fraction, the numerator of which is the actual number of days in such Quarterly Floating Rate Period and the denominator of which is 365 or 366, depending upon the actual number of days in the applicable year (less any tax required to be deducted and withheld by the Corporation).

On each Floating Rate Calculation Date, the Corporation shall determine the Floating Quarterly Dividend Rate for the ensuing Quarterly Floating Rate Period. The Corporation shall, on each Floating Rate Calculation Date, give written notice of the Floating Quarterly Dividend Rate for the ensuing Quarterly Floating Rate Period to the registered holders of the then outstanding Series 14 Shares.

Redemption of Series 14 Shares

Subject to the provisions described under “Certain Provisions of the Series 14 Shares - Restrictions on Payments and Reductions of Capital”, the Corporation may redeem all or any part of the Series 14 Shares by the payment of an amount in cash for each share to be redeemed equal to: (i) \$25.00 in the case of redemptions on any Series 14 Conversion Date on or after June 1, 2025 (the “**Series 14 Redemption Amount**”); or (ii) the Series 14 Redemption Amount plus \$0.50 per share in the case of redemptions on any date after June 1, 2020 that is not a Series 14 Conversion Date, in each case plus all accrued and unpaid dividends thereon (less any tax required to be deducted and withheld by the Corporation) to but excluding the date fixed for redemption. Should any such date not be a business day, the redemption date will be the next succeeding business day.

Notice of any redemption of Series 14 Shares will be given by the Corporation not more than 60 days and not less than 30 days prior to the date fixed for redemption. If less than all of the outstanding Series 14 Shares are at any time to be redeemed, the shares so to be redeemed shall be selected by lot in such manner as the Board or the transfer agent, if any, appointed by the Corporation in respect of such shares shall decide, or, if the Board so decides, such shares may be redeemed pro rata (disregarding fractions).

If the Corporation gives notice to the holders of the Series 14 Shares of the redemption of all of the Series 14 Shares, the right of a holder of Series 14 Shares to convert such Series 14 Shares shall terminate and the Corporation shall not be required to give notice to the registered holders of the Series 14 Shares of an Annual Fixed Dividend Rate, a Floating Quarterly Dividend Rate or the conversion right of holders of Series 14 Shares.

Conversion of Series 14 Shares into Series 13 Shares

The Series 14 Shares shall not be convertible prior to June 1, 2025. Holders of Series 14 Shares shall have the right to convert on each Series 14 Conversion Date, subject to restrictions on conversion described below, all or any of their Series 14 Shares into Series 13 Shares on the basis of one Series 13 Share for each Series 14 Share. Notice of a holder's intention to convert Series 14 Shares must be received by the transfer agent and registrar for the Series 14 Shares at its principal office in Toronto or Calgary not earlier than the 30th day prior to, but not later than 5:00 p.m. (Toronto time) on the 15th day preceding, a Series 14 Conversion Date. Once received by the transfer agent and registrar on behalf of the Corporation, the election of a holder to convert is irrevocable.

The Corporation shall, not more than 60 days and not less than 30 days prior to the applicable Series 14 Conversion Date, give notice to the then registered holders of the Series 14 Shares of the conversion right. On the 30th day prior to each Series 14 Conversion Date, the Corporation shall give notice to the then registered holders of the Series 14 Shares of the Annual Fixed Dividend Rate for the Series 13 Shares for the next succeeding Subsequent Fixed Rate Period and the Floating Quarterly Dividend Rate for the Series 14 Shares for the next succeeding Quarterly Floating Rate Period.

Automatic Conversion

Holders of Series 14 Shares shall not be entitled to convert their shares into Series 13 Shares if the Corporation determines that there would remain outstanding on a Series 14 Conversion Date less than 1,000,000 Series 13 Shares, after having taken into account all Series 13 Shares tendered for conversion into Series 14 Shares and all Series 14 Shares tendered for conversion into Series 13 Shares. Furthermore, if the Corporation determines that there would remain outstanding on a Series 14 Conversion Date less than 1,000,000 Series 14 Shares, after having taken into account all Series 13 Shares tendered for conversion into Series 14 Shares and all Series 14 Shares tendered for conversion into Series 13 Shares, then all of the remaining outstanding Series 14 Shares shall be converted automatically into Series 13 Shares on the basis of one Series 13 Share for each Series 14 Share on the applicable Series 14 Conversion Date.

The Corporation reserves the right not to deliver Series 13 Shares to any person that the Corporation or its transfer agent has reason to believe is a person whose address is in, or that the Corporation or its transfer agent has reason to believe is a resident of, any jurisdiction outside Canada if such delivery would require the Corporation to take any action to comply with the securities laws of such jurisdiction.

The Series 13 Shares and Series 14 Shares are series of shares in the same class. The conversion right entitles holders to elect periodically which of the two series they wish to hold and does not entitle holders to receive a different class or type of securities. Other than the different dividend rights and redemption rights attached thereto, the Series 13 Shares and Series 14 Shares are identical in all material respects.

Purchase for Cancellation

Subject to the provisions described under "Certain Provisions of the Series 14 Shares - Restrictions on Payments and Reductions of Capital", the Corporation may from time to time purchase for cancellation all or any part of the Series 14 Shares at any price by tender to all holders of Series 14 Shares or through the facilities of any stock exchange on which the Series 14 Shares are listed, or in any other manner, provided that in the case of a purchase in any other manner the price for such Series 14 Shares so purchased for cancellation shall not exceed the highest price offered for a board lot of Series 14 Shares on any stock exchange on which such shares are listed on the date of purchase for cancellation, plus costs of purchase.

Rights on Liquidation

In the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or any other distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs, the holders of the Series 14 Shares shall be entitled to receive \$25.00 per Series 14 Share together with all accrued and unpaid dividends thereon (less any tax required to be deducted and withheld by the Corporation) before any amount shall be paid or any property or assets of the Corporation shall be distributed to the holders of junior shares. After payment to the holders of the Series 14 Shares of the amount so payable to them, they shall not, as such, be entitled to share in any further distribution of the property, or assets of the Corporation.

Restrictions on Payments and Reductions of Capital

So long as any Series 14 Shares are outstanding, the Corporation shall not:

- (a) call for redemption of, purchase, reduce stated capital maintained by the Corporation or otherwise pay off less than all of the Series 14 Shares and all other preference shares of the Corporation then outstanding ranking prior to or on parity with the Series 14 Shares with respect to payment of dividends;
- (b) declare, pay or set apart for payment any dividends (other than stock dividends in shares of the Corporation ranking junior to the Series 14 Shares) on the Common Shares or any other shares ranking junior to the Series 14 Shares with respect to payment of dividends; or
- (c) call for redemption of, purchase, reduce stated capital maintained by the Corporation or otherwise pay for any shares of the Corporation ranking junior to the Series 14 Shares with respect to repayment of capital or with respect to payment of dividends,

unless all dividends up to and including the dividends payable on the last preceding dividend payment dates on the Series 14 Shares and on all other preference shares then outstanding ranking prior to or on a parity with the Series 14 Shares with respect to payment of dividends shall have been declared and paid or set apart for payment at the date of any such action.

Voting Rights

The holders of Series 14 Shares shall not be entitled to receive notice of or to attend or vote at meetings of the shareholders of the Corporation, except as required by law. At any meeting of the holders of the preference shares as a class or at any joint meeting of the holders of two or more series of the preference shares, each holder of preference shares entitled to vote thereat shall have on a poll one one-hundredth of a vote in respect of each dollar of the issue price of each share held.

Tax Election

The Series 14 Shares will be “taxable preferred shares” as defined in the Tax Act for purposes of the tax under Part IV.1 of the Tax Act applicable to certain corporate holders of the Series 14 Shares. The terms of the Series 14 Shares require the Corporation to make the necessary election under Part VI.1 of the Tax Act so that such corporate holders will not be subject to the tax under Part IV.1 of the Tax Act on dividends received (or deemed to be received) on the Series 14 Shares. See “Certain Canadian Federal Income Tax Considerations — Dividends”.

Business Day

If any day on which any dividend on the Series 14 Shares is payable by the Corporation or on or by which any other action is required to be taken by the Corporation is not a business day, then such dividend shall be payable and such other action may be taken on or by the next succeeding day that is a business day. For the purposes hereof, “business day” shall mean a day on which banks are generally open for business in each of Calgary, Alberta and Toronto, Ontario.

DEPOSITORY SERVICES

The Series 13 Shares and Series 14 Shares will be issued in “book-entry only” form and must be purchased or transferred through a participant in the CDS depository service (“**CDS Participant**”). The Corporation will cause a global certificate or certificates representing any newly issued Series 13 Shares or Series 14 Shares to be delivered to, and registered in the name of, CDS or its nominee. All rights of holders of Series 13 Shares or Series 14 Shares must be exercised through, and all payments or other property to which such holder of Series 13 Shares or Series 14 Shares, as the case may be, is entitled, will be made or delivered by, CDS or the CDS Participant through which the holder of Series 13 Shares or Series 14 Shares holds such shares. Each person who acquires Series 13 Shares or Series 14 Shares will receive only a customer confirmation of purchase from the registered dealer from or through which the Series 13 Shares or Series 14 Shares are acquired in accordance with the practices and procedures of that registered dealer. The practices of registered dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order. CDS is responsible for establishing and maintaining book-entry accounts for its CDS Participants having interests in the Series 13 Shares or Series 14 Shares.

The ability of a beneficial owner of Series 13 Shares or Series 14 Shares to pledge such shares or otherwise take action with respect to such owner’s interest in such shares (other than through a CDS Participant) may be limited due to the lack of a physical certificate.

The Corporation has the option to terminate registration of the Series 13 Shares and Series 14 Shares through the book-entry only system, in which event certificates for Series 13 Shares and Series 14 Shares in fully registered form will be issued to the beneficial owners of such shares or their nominees.

Neither the Corporation nor the Underwriters will assume any liability for: (a) any aspect of the records relating to the beneficial ownership of the Series 13 Shares or Series 14 Shares held by CDS or the payments relating thereto; (b) maintaining, supervising or reviewing any records relating to the Series 13 Shares or Series 14 Shares; or (c) any advice or representation made by or with respect to CDS and those contained in this Prospectus Supplement and relating to the rules governing CDS or any action to be taken by CDS or at the direction of its CDS Participants. The rules governing CDS provide that it acts as the agent and depository for the CDS Participants. As a result, CDS Participants must look solely to CDS and persons, other than CDS Participants, having an interest in the Series 13 Shares or Series 14 Shares must look solely to CDS Participants for payments made by or on behalf of the Corporation to CDS in respect of the Series 13 Shares or Series 14 Shares.

If: (i) required by applicable law; (ii) the book-entry only system ceases to exist; (iii) CDS advises the Corporation that it is no longer willing or able to discharge properly its responsibilities as depository with respect to the Series 13 Shares or Series 14 Shares and the Corporation is unable to locate a qualified successor; or (iv) the Corporation, at its option, decides to terminate the book-entry only system, then certificates representing the Series 13 Shares and Series 14 Shares, as applicable, will be made available to shareholders.

EARNINGS COVERAGE RATIO

The following earnings coverage ratios have been calculated on a consolidated basis for the respective 12 month periods ended December 31, 2013 and March 31, 2014 and are derived from audited financial information in the case of December 31, 2013 and unaudited financial information in the case of March 31, 2014, in each case prepared in accordance with U.S. GAAP. The following ratios give pro forma effect to the issuance by the Corporation from time to time of preference shares and debt securities since December 31, 2013 in the case of the December 31, 2013 earnings coverage ratio, including the issuance by the Corporation of the Series 13 Shares pursuant to this Prospectus Supplement as well as the issuance by the Corporation of 11,000,000 cumulative redeemable preference shares, series 9 (the “**Series 9 Shares**”) pursuant to a prospectus supplement dated March 6, 2014, the Series 11 Shares pursuant to a prospectus supplement dated May 14, 2014, \$500,000,000 principal amount of unsecured floating rate medium term notes pursuant to a fourth pricing supplement dated March 6, 2014, \$400,000,000 principal amount of 3.16% unsecured medium term notes pursuant to a fifth pricing supplement dated March 6, 2014, \$500,000,000 principal amount of 4.57% unsecured medium term notes pursuant to a sixth pricing supplement dated March 6, 2014, \$130,000,000 principal amount of 4.56% unsecured medium term notes pursuant to a seventh pricing supplement dated March 25, 2014 and the U.S. Notes pursuant to a prospectus supplement dated May 28, 2014, and the issuance by EGD of the EGD Notes pursuant to the third pricing supplement dated April 16, 2014, and since March 31, 2014 in the case of the March 31, 2014 earnings coverage ratio, including the issuance by the Corporation of the Series 13 Shares pursuant to this Prospectus Supplement as well as the issuance by the Corporation of the Series 11 Shares and the U.S. Notes, and the issuance by EGD of the EGD Notes. Adjustments for other normal course issuances and repayments of long-term debt subsequent to December 31, 2013 and March 31, 2014 would not materially affect the ratio and, as a result, have not been made. The earnings coverage ratios set forth below do not purport to be indicative of earnings coverage ratios for any future periods.

Twelve Month Period Ended

	December 31, 2013	March 31, 2014
Earnings coverage ⁽¹⁾	1.1 times	1.2 times

Notes:

(1) Earnings coverage on a net earnings basis is equal to earnings attributable to the Corporation plus net interest expense and income taxes divided by net interest expense plus capitalized interest and preference share dividend obligations.

The Corporation evaluates its performance using a variety of measures. Earnings coverage discussed above is not defined under U.S. GAAP and, therefore, should not be considered in isolation or as an alternative to, or more meaningful than, net earnings as determined in accordance with U.S. GAAP as an indicator of the Corporation’s financial performance or liquidity. This measure is not necessarily comparable to a similarly titled measure of another company.

The Corporation’s pro forma dividend requirements on all of its preference shares, adjusted to a before tax equivalent using an effective income tax rate of 20% at December 31, 2013 and 21% at March 31, 2014, amounted to approximately \$328 million for the 12 months ended December 31, 2013 and approximately \$333 million for the 12 months ended March 31, 2014. The Corporation’s pro forma interest requirements amounted to approximately \$1,188 million for the 12 months ended December 31, 2013 and approximately \$1,266 million for the 12 months ended March 31, 2014. The Corporation’s earnings before interest and income tax for the 12 months ended December 31, 2013 were approximately \$1,626 million, which is 1.1 times the Corporation’s aggregate pro forma dividend and interest requirements for this period. The Corporation’s earnings before interest and income tax for the 12 months ended

March 31, 2014 were approximately \$1,919 million, which is 1.2 times the Corporation's aggregate pro forma dividend and interest requirements for this period.

CREDIT RATINGS

The Series 13 Shares have been rated Pfd-2(low) by DBRS Limited (“**DBRS**”) and P-2 by Standard & Poor’s (“**S&P**”) (DBRS and S&P are each a “**Rating Agency**”). Credit ratings are intended to provide investors with an independent measure of credit quality of an issue of securities. The Rating Agencies’ ratings for an issuer’s preference shares may range from a high of Pfd-1 to a low of D for DBRS and from a high of P-1 to a low of D for S&P.

According to the DBRS rating system, securities rated Pfd-2 are of satisfactory credit quality. “High” or “low” grades are used to indicate the relative standing within a rating category. According to the S&P rating system, securities rated P-2 exhibit adequate protection parameters. The ratings from P-1 to -3 may be modified by “high”, “mid” and “low” grades which indicate relative standing within the major rating categories.

Credit ratings are intended to provide investors with an independent assessment of the credit quality of an issue or issuer of securities and do not speak to the suitability of particular securities for any particular investor. The credit ratings assigned to the Series 13 Shares may not reflect the potential impact of all risks on the value of the Series 13 Shares. The credit ratings accorded to the Series 13 Shares by the Rating Agencies are not recommendations to purchase, hold or sell such shares inasmuch as such ratings do not comment as to market price or suitability for a particular investor. There is no assurance that any rating will remain in effect for any given period of time or that any rating will not be revised or withdrawn entirely by a Rating Agency in the future if, in its judgment, circumstances so warrant. The lowering of any rating of the Series 13 Shares may negatively affect the quoted market price, if any, of such shares.

PLAN OF DISTRIBUTION

Pursuant to an underwriting agreement (the “**Underwriting Agreement**”) dated as of June 10, 2014 among the Corporation and the Underwriters, the Corporation has agreed to sell an aggregate of 14,000,000 Series 13 Shares to the Underwriters, and the Underwriters have severally (and not jointly or jointly and severally) agreed to purchase from the Corporation, as principal, such Series 13 Shares at a price of \$25.00 per Series 13 Share payable in cash against delivery on the Offering Closing Date. The Underwriting Agreement provides that, in consideration of the services of the Underwriters in connection with the Offering, the Corporation will pay the Underwriters a fee of \$0.25 per Series 13 Share issued and sold by the Corporation to certain institutions, and \$0.75 per Series 13 Share for all other Series 13 Shares issued and sold by the Corporation as part of the Offering, for an aggregate fee payable by the Corporation of \$10,500,000, assuming that no Series 13 Shares are sold to such institutions. The Underwriters’ fee is payable on the Offering Closing Date and will be paid, along with the expenses of the offering, which are estimated to be \$300,000, from the general funds of the Corporation.

The terms of the Offering were established through negotiations between the Corporation and the Underwriters.

The obligations of the Underwriters under the Underwriting Agreement are several (and not joint or joint and several) and may be terminated at their discretion upon the occurrence of certain stated events. If an Underwriter fails to purchase the Series 13 Shares which it has agreed to purchase, the other Underwriters may, but are not obligated to, purchase such Series 13 Shares, provided that, if the aggregate number of Series 13 Shares not purchased is less than or equal to 10% of the aggregate number of Series 13 Shares agreed to be purchased by the Underwriters, then each of the other Underwriters is obligated to purchase severally the Series 13 Shares not taken up, on a pro rata basis or as they may otherwise agree as between themselves. If the aggregate number of Series 13 Shares not purchased is greater than 10% of the aggregate number of Series 13 Shares agreed to be purchased by the Underwriters, then each of the other Underwriters shall be relieved of its obligations to purchase its respective percentage of the Series 13 Shares, subject to the terms and conditions of the Underwriting Agreement. The Underwriters are, however, obligated to take up and pay for all Series 13 Shares if any Series 13 Shares are purchased under the Underwriting Agreement. The Underwriting Agreement also provides that the Corporation will indemnify the Underwriters and their respective directors, officers, shareholders, agents and employees against certain liabilities and expenses.

The Underwriters propose to offer the Series 13 Shares initially at the public offering price specified on the cover page of this Prospectus Supplement. After the Underwriters have made a reasonable effort to sell all of the Series 13 Shares offered by this Prospectus Supplement at the price specified herein, the offering price may be decreased and may be further changed from time to time to an amount not greater than \$25.00. In the event the offering price of the Series 13 Shares is reduced, the compensation received by the Underwriters will be decreased by the amount by which the aggregate price paid by the purchasers for the Series 13 Shares is less than the gross proceeds paid by the Underwriters to the Corporation for the Series 13 Shares. Any such reduction will not affect the proceeds received by the Corporation.

Subscriptions for Series 13 Shares will be received subject to rejection or allotment in whole or in part, and the right is reserved to close the subscription books at any time without notice.

The TSX has conditionally approved the listing of the Series 13 Shares and Series 14 Shares. Listing is subject to the Corporation fulfilling all the listing requirements of the TSX. There can be no assurance that the Series 13 Shares and the Series 14 Shares will be accepted for listing on the TSX.

The Corporation has agreed that, subject to certain exceptions, it shall not issue or agree to issue any preference shares or other securities convertible into, or exchangeable for, preference shares prior to 60 days after the Offering Closing Date without the prior consent of CIBC World Markets Inc., RBC Dominion Securities Inc., Scotia Capital Inc. and TD Securities Inc., on behalf of the Underwriters, which consent shall not be unreasonably withheld.

Pursuant to policy statements of certain securities regulators, the Underwriters may not, throughout the period of distribution, bid for or purchase Series 13 Shares. The policy statements allow certain exceptions to the foregoing prohibitions. The Underwriters may only avail themselves of such exceptions on the condition that the bid or purchase not be engaged in for the purpose of creating actual or apparent active trading in, or raising the price of, the Series 13 Shares. These exceptions include a bid or purchase permitted under the Universal Market Integrity Rules for Canadian Marketplaces of the Investment Industry Regulatory Organization of Canada, relating to market stabilization and passive market making activities and a bid or purchase made for and on behalf of a customer where the order was not solicited during the period of distribution. Pursuant to the first mentioned exception, in connection with the Offering, the Underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Series 13 Shares at levels other than those which otherwise might prevail on the open market. Such transactions, if commenced, may be discontinued at any time.

Neither the Series 13 Shares nor the Series 14 Shares have been or will be registered under the U.S. Securities Act. They are being sold only outside the United States to non-U.S. Persons (as those terms are defined under Regulation S under the U.S. Securities Act) and may not be reoffered, resold, pledged or otherwise transferred in the United States or to U.S. Persons.

RELATIONSHIP BETWEEN THE CORPORATION'S LENDERS AND THE UNDERWRITERS

Each of the Underwriters is, directly or indirectly, an affiliate of a bank or other financial institution that is one of the Corporation's lenders and to which the Corporation is currently indebted (collectively, the "**Affiliate Lenders**"). Consequently, the Corporation may be considered to be a connected issuer of the Underwriters under applicable securities laws.

At July 9, 2014, the Corporation has Cdn\$500 million and US\$10 million outstanding indebtedness to the lenders under the Corporation's unsecured credit facilities. In addition, approximately Cdn\$2,871 million and US\$1,368 million of the Corporation's credit facilities are being used as a backstop to support outstanding commercial paper balances. The Corporation has complied with the instruments governing its credit facilities and no breach thereof has ever been waived by any of the Affiliate Lenders. Except as otherwise disclosed in this Prospectus Supplement and the Prospectus, the financial position of the Corporation has not changed substantially since the indebtedness under its credit facilities was incurred. The Corporation intends to use the net proceeds from the Offering to partially fund capital projects and to reduce short term indebtedness of the Corporation and its affiliates, which short term indebtedness was used to fund the Corporation's capital program, and for other general corporate purposes and, as a consequence, net proceeds from the Offering may be paid to one or more of the Affiliate Lenders. For more information, see "Use of Proceeds" herein.

The decision to distribute Series 13 Shares pursuant to the Offering was made by the Corporation and the determination of the terms of the Offering was made through negotiations between the Corporation and the Underwriters. The Affiliate Lenders did not have any involvement in such decision or determination but have each been advised of the Offering and the terms thereof. Each of the Underwriters will receive its proportionate share of the aggregate underwriting commission payable by the Corporation to the Underwriters.

CERTAIN CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

In the opinion of McCarthy Tétrault LLP, counsel to the Corporation, and Dentons Canada LLP, counsel to the Underwriters, the following summary, as of the date hereof, describes the principal Canadian federal income tax considerations generally applicable under the provisions of the Tax Act to a prospective purchaser of Series 13 Shares pursuant to this Prospectus Supplement (a "**Holder**") who, at all relevant times, for the purposes of the Tax Act, is (or is deemed to be) resident in Canada, holds the Series 13 Shares and will hold the Series 14 Shares, as applicable, as capital property, deals at arm's length with the Corporation and is not affiliated with the Corporation or the Underwriters and is not exempt from tax under Part I of the Tax Act. Generally, the Series 13 Shares or Series 14 Shares will be considered to be capital property to a Holder provided the Holder does not hold the shares in the course of carrying on a business and has not acquired them in one or more transactions considered to be an adventure in the nature of trade. Certain Holders who might not otherwise be considered to hold their Series 13 Shares or Series 14 Shares as capital property

may, in certain circumstances, be entitled to have them and every other “Canadian security” (as defined in the Tax Act) owned by them in the taxation year of the election and in all subsequent years treated as capital property by making the irrevocable election permitted by subsection 39(4) of the Tax Act. Holders who will not hold their Series 13 Shares or their Series 14 Shares, as applicable, as capital property should consult their own tax advisers with respect to their own particular circumstances.

This summary is not applicable to a Holder: (i) that is a “financial institution”, as defined in the Tax Act for the purpose of the “mark-to-market property” rules; (ii) an interest in which would be a “tax shelter investment” as defined in the Tax Act; (iii) that is a “specified financial institution” as defined in the Tax Act; (iv) which has made a “functional currency” election under the Tax Act to determine its Canadian tax results in a currency other than Canadian currency; or (v) that enters into a “synthetic disposition arrangement” or a “derivative forward agreement”, as such terms are defined in the Tax Act, in respect of the Series 13 Shares or the Series 14 Shares. Any such Holder should consult its own tax advisors with respect to an investment in the Series 13 Shares.

This summary is based upon the current provisions of the Tax Act, the regulations thereunder (the “**Regulations**”), all specific proposals to amend the Tax Act and the Regulations publicly announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof (the “**Proposals**”), existing case law and counsel’s understanding of the current published administrative and assessing practices of the Canada Revenue Agency. This summary assumes the Proposals will be enacted in the form proposed; however, no assurance can be given that the Proposals will be enacted in their current form, or at all. This summary is not exhaustive of all possible Canadian federal income tax considerations and, except for the Proposals, does not take into account or anticipate any changes in law, whether by legislative, governmental or judicial decision or action, nor does it take into account any provincial, territorial or foreign income tax legislation or considerations.

This summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any particular Holder of Series 13 Shares or Series 14 Shares. No representations are made with respect to the income tax consequences to any particular Holder. Consequently, prospective Holders should consult their own tax advisers with respect to their particular circumstances for advice with respect to the tax consequences to them of acquiring, holding and disposing of the Series 13 Shares or the Series 14 Shares, including the application and effect of the income and other tax laws of any country, province, state or local tax authority.

Dividends

Dividends (including deemed dividends) received (or deemed to be received) on the Series 13 Shares or the Series 14 Shares, as the case may be, by an individual (other than certain trusts) will be included in the individual’s income and will be subject to the gross-up and dividend tax credit rules normally applicable to taxable dividends received from taxable Canadian corporations. Individuals are entitled to an enhanced gross-up and dividend tax credit in respect of “eligible dividends” received from taxable Canadian corporations, such as the Corporation, if such dividends have been designated as eligible dividends by the Corporation at or before the time of payment. By notice in writing on the Corporation’s website, the Corporation has designated all dividends paid by the Corporation to be “eligible dividends” within the meaning of the Tax Act unless otherwise notified.

Dividends received by a Holder who is an individual (other than certain trusts) may give rise to a liability for alternative minimum tax.

Dividends (including deemed dividends) received on the Series 13 Shares or the Series 14 Shares, as the case may be, by a Holder which is a corporation will be included in computing the Holder’s income and will generally be deductible in computing the Holder’s taxable income. A “private corporation”, as defined in the Tax Act, or any other corporation controlled (whether by reason of a beneficial interest in one or more trusts or otherwise) by or for the benefit of an individual (other than a trust) or a related group of individuals (other than trusts), will generally be liable to pay a 33⅓% refundable tax under Part IV of the Tax Act on dividends received (or deemed to be received) on the Series 13 Shares or the Series 14 Shares, as the case may be, to the extent such dividends are deductible in computing its taxable income.

The Series 13 Shares and the Series 14 Shares will be “taxable preferred shares” as defined in the Tax Act. The terms of the Series 13 Shares and the Series 14 Shares require the Corporation to make the necessary election under Part VI.1 of the Tax Act so that corporate Holders will not be subject to tax under Part IV.1 of the Tax Act on dividends received (or deemed to be received) on the Series 13 Shares or the Series 14 Shares.

Dispositions

A Holder who disposes of or is deemed to dispose of Series 13 Shares or Series 14 Shares (on the redemption of such shares or otherwise, but not including on a conversion of Series 13 Shares into Series 14 Shares or a conversion of Series 14 Shares into Series 13 Shares) will generally realize a capital gain (or a capital loss) to the extent that the Holder’s proceeds of disposition, net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base of such shares to the Holder. The amount of any

deemed dividend arising on the redemption, acquisition or cancellation by the Corporation of Series 13 Shares or Series 14 Shares, as the case may be, will generally not be included in computing the Holder's proceeds of disposition for purposes of computing the capital gain (or capital loss) arising on the disposition of such Series 13 Shares or Series 14 Shares, as the case may be. See "Redemption" below. If the Holder is a corporation, any capital loss arising on a disposition of a Series 13 Share or a Series 14 Share, as the case may be, may, in certain circumstances, be reduced by the amount of any dividends, including deemed dividends, which have been received (or deemed to be received) on the Series 13 Shares or Series 14 Shares or any share which was converted into such share. Analogous rules apply to a partnership or trust of which a corporation, partnership or trust is a member or beneficiary.

Generally, one-half of any capital gain will be included in computing the Holder's income in the year of disposition as a taxable capital gain and one-half of any capital loss (an "allowable capital loss") must be deducted from the Holder's taxable capital gains in the year of disposition. Allowable capital losses in excess of taxable capital gains for a taxation year generally may be carried back up to three taxation years or carried forward indefinitely and deducted against net taxable capital gains in those other taxation years. Capital gains realized by an individual may give rise to a liability for alternative minimum tax. Taxable capital gains of a "Canadian-controlled private corporation", as defined in the Tax Act, may be subject to an additional refundable tax at a rate of 6%.

Redemption

If the Corporation redeems Series 13 Shares or Series 14 Shares, or otherwise acquires or cancels Series 13 Shares or Series 14 Shares (other than by a purchase by the Corporation of the shares in the open market in the manner in which shares are normally purchased by any member of the public in the open market), the Holder will be deemed to have received a dividend equal to the amount, if any, paid by the Corporation (including any redemption premium) in excess of the paid-up capital (as determined for purposes of the Tax Act) of such shares at such time. Generally, any excess of the amount paid over the amount of the deemed dividend will be treated as proceeds of disposition for purposes of computing the capital gain or capital loss arising on the disposition of such shares. See "Dispositions" above. In the case of a corporate holder, it is possible that in certain circumstances all or part of any such deemed dividend may be treated as proceeds of disposition and not as a dividend.

Conversion

The conversion of Series 13 Shares into Series 14 Shares and the conversion of Series 14 Shares into Series 13 Shares will not constitute a disposition of property for purposes of the Tax Act and, accordingly, will not give rise to a capital gain or capital loss. The cost to a Holder of the Series 13 Shares or Series 14 Shares, as the case may be, received on the conversion will, subject to the cost averaging rules contained in the Tax Act for identical properties, be deemed to be equal to the Holder's adjusted cost base of the converted Series 13 Shares or Series 14 Shares, as the case may be, immediately before the conversion.

ELIGIBILITY FOR INVESTMENT

In the opinion of McCarthy Tétrault LLP, counsel to the Corporation, and Dentons Canada LLP, counsel to the Underwriters, the Series 13 Shares offered hereby and the Series 14 Shares, if issued on the date hereof, generally would be qualified investments under the Tax Act and the Regulations for a trust governed by a registered retirement savings plan ("RRSP"), a registered retirement income fund ("RRIF"), a registered education savings plan, a registered disability savings plan, a deferred profit sharing plan, or a tax-free savings account ("TFSA"). However, the holder of a TFSA, or the annuitant under a RRSP or RRIF which holds the Series 13 Shares or Series 14 Shares will be subject to a penalty tax if the holder or the annuitant, as the case may be: (i) does not deal at arm's length with the Corporation; or (ii) has a "significant interest" in the Corporation, all as defined in and for purposes of the Tax Act. In addition, the Series 13 Shares or Series 14 Shares will generally not be a "prohibited investment" as defined in the Tax Act, and therefore not subject to the penalty tax if such shares are "excluded property" (as defined in the Tax Act) for trusts governed by a TFSA, RRSP or RRIF.

Prospective investors who intend to hold Series 13 Shares or Series 14 Shares in their TFSA, RRSP or RRIF should consult their own tax advisors regarding their particular circumstances.

RISK FACTORS

An investment in the Series 13 Shares offered hereunder involves certain risks. In addition to the other information contained in this Prospectus Supplement and the accompanying Prospectus, and in the documents incorporated by reference therein, prospective purchasers of Series 13 Shares should consider carefully the risk factors set forth below, as well as the risk factors referenced in the accompanying Prospectus under the heading "Risk Factors".

Market for Securities

There is currently no market through which the Series 13 Shares may be sold and purchasers of Series 13 Shares may not be able to resell the Series 13 Shares purchased under this Prospectus Supplement. The price offered to the public for the Series 13 Shares and the number of Series 13 Shares to be issued have been determined by negotiations among the Corporation and the Underwriters. The price paid for each Series 13 Share may bear no relationship to the price at which the Series 13 Shares will trade in the public market subsequent to this Offering. The Corporation cannot predict at what price the Series 13 Shares will trade and there can be no assurance that an active trading market will develop for the Series 13 Shares or, if developed, that such market will be sustained. The TSX has conditionally approved the listing of the Series 13 Shares and Series 14 Shares. Listing is subject to the Corporation fulfilling all the listing requirements of the TSX. There can be no assurance that the Series 13 Shares and Series 14 Shares will be accepted for listing on the TSX.

Market Price

The market price of the Series 13 Shares and Series 14 Shares may fluctuate due to a variety of factors relative to the Corporation's business, including announcements of new developments, fluctuations in the Corporation's operating results, sales of the Series 13 Shares and Series 14 Shares in the marketplace, failure to meet analysts' expectations, any public announcements made in regard to this Offering, the impact of various tax laws or rates and general market conditions or the worldwide economy. In recent years, stock markets have experienced significant price fluctuations, which have been unrelated to the operating performance of the affected companies. There can be no assurance that the market price of the Series 13 Shares and Series 14 Shares will not experience significant fluctuations in the future, including fluctuations that are unrelated to the Corporation's performance.

Prevailing yields on similar securities will affect the market value of the Series 13 Shares and Series 14 Shares. Assuming all other factors remain unchanged, the market value of the Series 13 Shares and Series 14 Shares would be expected to decline as prevailing yields for similar securities rise and would be expected to increase as prevailing yields for similar securities decline. Spreads over the Government of Canada Yield, T-Bill Rate and comparable benchmark rates of interest for similar securities will also affect the market value of the Series 13 Shares and the Series 14 Shares in an analogous manner.

Dividends

Provisions of various trust indentures and credit arrangements to which the Corporation is a party restrict the Corporation's ability to declare and pay dividends under certain circumstances and, if such restrictions apply, they may, in turn, have an impact on the Corporation's ability to declare and pay dividends on the Series 13 Shares and Series 14 Shares. The dividend rate in respect of the Series 13 Shares will reset on June 1, 2020 and every five years thereafter. The dividend rate in respect of the Series 14 Shares will reset quarterly. In each case, the new dividend rate is unlikely to be the same as, and may be lower than, the dividend rate for the applicable preceding dividend period.

Investments in the Series 14 Shares, given their floating interest component, entail risks not associated with investments in the Series 13 Shares. The resetting of the applicable rate on a Series 14 Share may result in a lower yield compared to fixed rate Series 13 Shares. The applicable rate on a Series 14 Share will fluctuate in accordance with fluctuations in the T-Bill Rate on which the applicable rate is based, which in turn may fluctuate and be affected by a number of interrelated factors, including economic, financial and political events over which the Corporation has no control. See "Details of the Offering – Dividends on Series 14 Shares".

Credit Ratings

The credit ratings applied to the Series 13 Shares are an assessment, by the Rating Agencies, of the Corporation's ability to pay its obligations. The credit ratings are based on certain assumptions about the future performance and capital structure of the Corporation that may or may not reflect the actual performance or capital structure of the Corporation. Changes in credit ratings of the Series 13 Shares may affect the market price or value and the liquidity of the Series 13 Shares. There is no assurance that any credit rating assigned to the Series 13 Shares will remain in effect for any given period of time or that any rating will not be lowered or withdrawn entirely by the relevant rating agency. See "Credit Ratings".

Insolvency or Winding-Up

The Series 13 Shares and Series 14 Shares are equity capital of the Corporation which rank equally with other preference shares, if any, in the event of an insolvency or winding-up of the Corporation. If the Corporation becomes insolvent or is wound up, the Corporation's assets must be used to pay liabilities and other debt before payments may be made on the Series 13 Shares, Series 14 Shares and other preference shares, if any.

Automatic Conversion

An investment in the Series 13 Shares, or in the Series 14 Shares, as the case may be, may become an investment in Series 14 Shares, or in Series 13 Shares, without the consent of the holder in the event of an automatic conversion in the circumstances described under “Details of the Offering – Conversion of Series 13 Shares into Series 14 Shares” and “Details of the Offering – Conversion of Series 14 Shares into Series 13 Shares”. Upon automatic conversion of the Series 13 Shares into Series 14 Shares, the dividend rate on the Series 14 Shares will be a floating rate that is adjusted quarterly by reference to the T-Bill Rate which may vary from time to time while, upon the automatic conversion of the Series 14 Shares into Series 13 Shares, the dividend rate on the Series 13 Shares will be, for each five-year period, a fixed rate that is determined by reference to the Government of Canada Yield on the 30th day prior to the first day of each such five-year period. In addition, holders may be prevented from converting their Series 13 Shares into Series 14 Shares in certain circumstances. See “Details of the Offering – Conversion of Series 13 Shares into Series 14 Shares” and “Details of the Offering – Conversion of Series 14 Shares into Series 13 Shares”.

No Fixed Maturity

Neither the Series 13 Shares nor the Series 14 Shares have a fixed maturity date and are not redeemable at the option of the holders of Series 13 Shares or the Series 14 Shares, as applicable. The ability of a holder to liquidate its holdings of Series 13 Shares and the Series 14 Shares, as applicable, may be limited.

Redeemable

The Corporation may choose to redeem the Series 13 Shares and/or the Series 14 Shares from time to time, in accordance with its rights described under “Details of the Offering — Redemption of Series 13 Shares” and “Details of the Offering — Redemption of the Series 14 Shares”, including when prevailing interest rates are lower than yield borne by the Series 13 Shares and the Series 14 Shares. If prevailing rates are lower at the time of redemption, a purchaser would not be able to reinvest the redemption proceeds in a comparable security at an effective yield as high as the yield on the Series 13 Shares or the Series 14 Shares being redeemed. The Corporation’s redemption right also may adversely impact a purchaser’s ability to sell Series 13 Shares and Series 14 Shares.

LEGAL MATTERS

Certain legal matters relating to Canadian law in connection with the Series 13 Shares offered hereby will be passed upon on behalf of the Corporation by McCarthy Tétrault LLP, and on behalf of the Underwriters by Dentons Canada LLP.

INTERESTS OF EXPERTS

As at the date of this Prospectus Supplement, the partners and associates of McCarthy Tétrault LLP, as a group, and the partners and associates of Dentons Canada LLP, as a group, beneficially own, directly or indirectly, less than 1% of any class of securities of the Corporation. In connection with the audit of the Corporation’s consolidated annual financial statements for the year ended December 31, 2013, PricewaterhouseCoopers LLP confirmed that they are independent within the meaning of the Rules of Professional Conduct of the Institute of Chartered Accountants of Alberta.

AUDITORS, TRANSFER AGENT AND REGISTRAR

The Corporation’s auditors are PricewaterhouseCoopers LLP, Calgary, Alberta.

The transfer agent and registrar for the Series 13 Shares and Series 14 Shares is CST Trust Company at its principal offices in Calgary, Alberta, and Toronto, Ontario.

STATUTORY RIGHTS OF WITHDRAWAL AND RESCISSION

Securities legislation in certain of the provinces of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus and any amendment. In several of the provinces, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that the remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser’s province. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser’s province for the particulars of these rights or consult with a legal advisor.
