

**Westcoast Energy Limited Partnership
Sunrise Expansion Program
Condition Filing Index
(to March 26, 2026)**

On January 30, 2026, the Commission of the Canada Energy Regulator issued a report recommending that a certificate be issued authorizing the construction of the Westcoast Sunrise Expansion Program ([C38105-1](#)). The CER Commission concurrently issued Order XG-002-2026 for the purpose of granting certain related exemptions ([C38107-3](#)). The following table lists the certificate conditions that are set out in Appendix 1 of the report (at PDF Pages 471-503) with a running tally of links to condition compliance submissions.

#	Condition Title	Filing ID	Date
1	Condition compliance		
2	Design, location, construction, and operations		
3	Environmental protection		
4	Instrument expiration (sunset clause)		
Prior to Construction			
5	Plan for notifying Indigenous Peoples of condition filings	C38546	March 16, 2026
6	Caribou Habitat Restoration Plan	C38596	March 20, 2026
7	Preliminary Caribou Habitat Offset Measures Plan	C38597	March 20, 2026
8	Forest Management and Old Growth Mitigation Plan	C38600	March 20, 2026
9	Updated Environmental Protection Plans (EPPs)	C38641	March 24, 2026
10	Wildlife Species at Risk Mitigation Plans	C38606	March 20, 2026
11	Plan for Indigenous Peoples' participation in construction monitoring	C38611	March 20, 2026
12	Update on employment, contracting, procurement & training for Indigenous Peoples		
13	Finalized watercourse crossings inventory		
14	Quality Assurance and compliance for the electrical facilities		
15	Outstanding Indigenous-led assessments or studies		
16	Support for Indigenous Peoples to review Westcoast's condition filings		
17	Construction Safety Manuals		
18	Construction Emergency Response Plan(s)		
19	Socio-Economic Effects Monitoring Plan		
20	Schedule and progress of construction of electrical facilities		
21	Contingency watercourse and wetland crossings		
22	Fisheries Act authorizations		
23	Section 317(1) consents		
24	Construction Schedule		
During Construction			
25	High-potential near misses		
26	Construction progress reports		
27	Plan for hydrostatic test water withdrawal and discharge		
28	Plan for Indigenous Peoples' participation in post-construction monitoring		
29	Operational Vegetation Management Plan		
30	Power system protection for compressor stations, substations, and powerlines		
31	Reliability standards		
32	System impact studies prior to energization		
33	Technical specification updates		

#	Condition Title	Filing ID	Date
Post-Construction and During Operations			
34	Updated power line outage of electrical facilities		
35	Condition compliance reporting by the Accountable Officer		
36	As-built electrical drawings		
37	Geographic information system data		
38	Socio-Economic Effects Monitoring Final Report		
39	Wetland Offset Measures Plan		
40	Quantification of construction-related greenhouse gas emissions		
41	Post-construction environmental monitoring reports		
42	Emergency response exercise		
43	Caribou Habitat Restoration Implementation Report		
44	Final Caribou Habitat Offset Measures Plan		
45	Caribou Habitat Restoration and Offset Measures Monitoring Program		
46	Caribou Habitat Offset Measures Implementation Report		
47	Caribou Habitat Restoration and Offset Measures Monitoring Reports
