- Welcome
- Safety Moment
- Project Updates
- Announcement: Human Trafficking Awareness and Prevention Plan
- Audience Q&A
- Guest Speaker: Paul Meneghini, Enbridge
- Audience Q&A
- Wrap Up

Wisconsin: Cell Phones, Driving and the Law

Know the law

- Texting while driving is against the law for ALL drivers in Wisconsin.
- No driver may use a hand-held, mobile device in a road work zone, except to report an emergency.
- Hand-held or hands-free cell phone use while driving is against the law for drivers with a probationary license or instruction permit, except to report an emergency.

Avoid the risk and stay safe

- Turn off your phone or switch to silent mode every time you get behind the wheel.
- Record your voice mail message to tell callers that you are driving.
- Pull over and stop in a safe area if you must use your cell phone.
- Or ask a passenger to call or text for you.

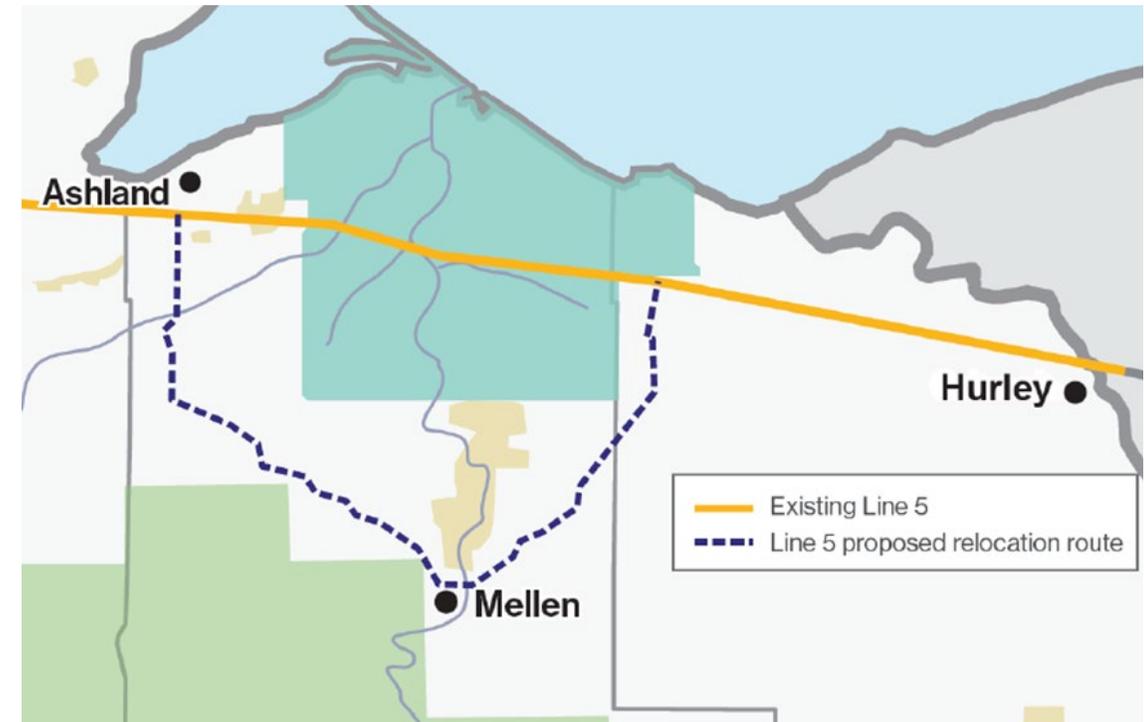

Texting while driving is against the law for ALL drivers in Wisconsin.

Great Lakes Tunnel Project

Project Update

Seven ways to protect Michigan's water

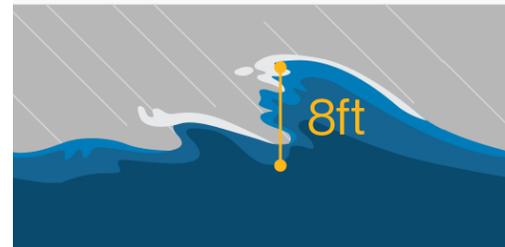

Series of Three Line 5 Agreements 2017-2018

Formally entered into agreements with the State of Michigan which includes seven key actions.

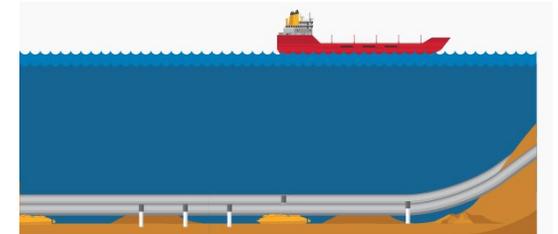

1. Replacement in a tunnel under the Straits

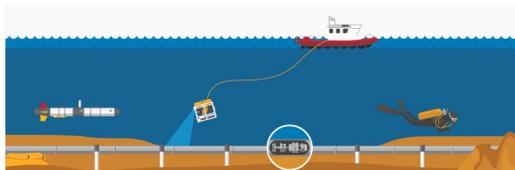

2. Weather-related temporary shut-down of Line 5 operations

3. Additional safety measures for ship anchor strikes

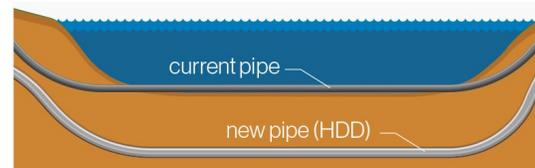

4. Evaluate additional tools and underwater technologies

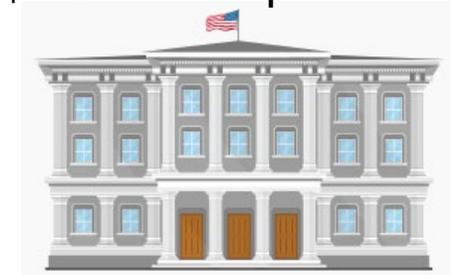

5. Enhance safety at other Line 5 water crossings.

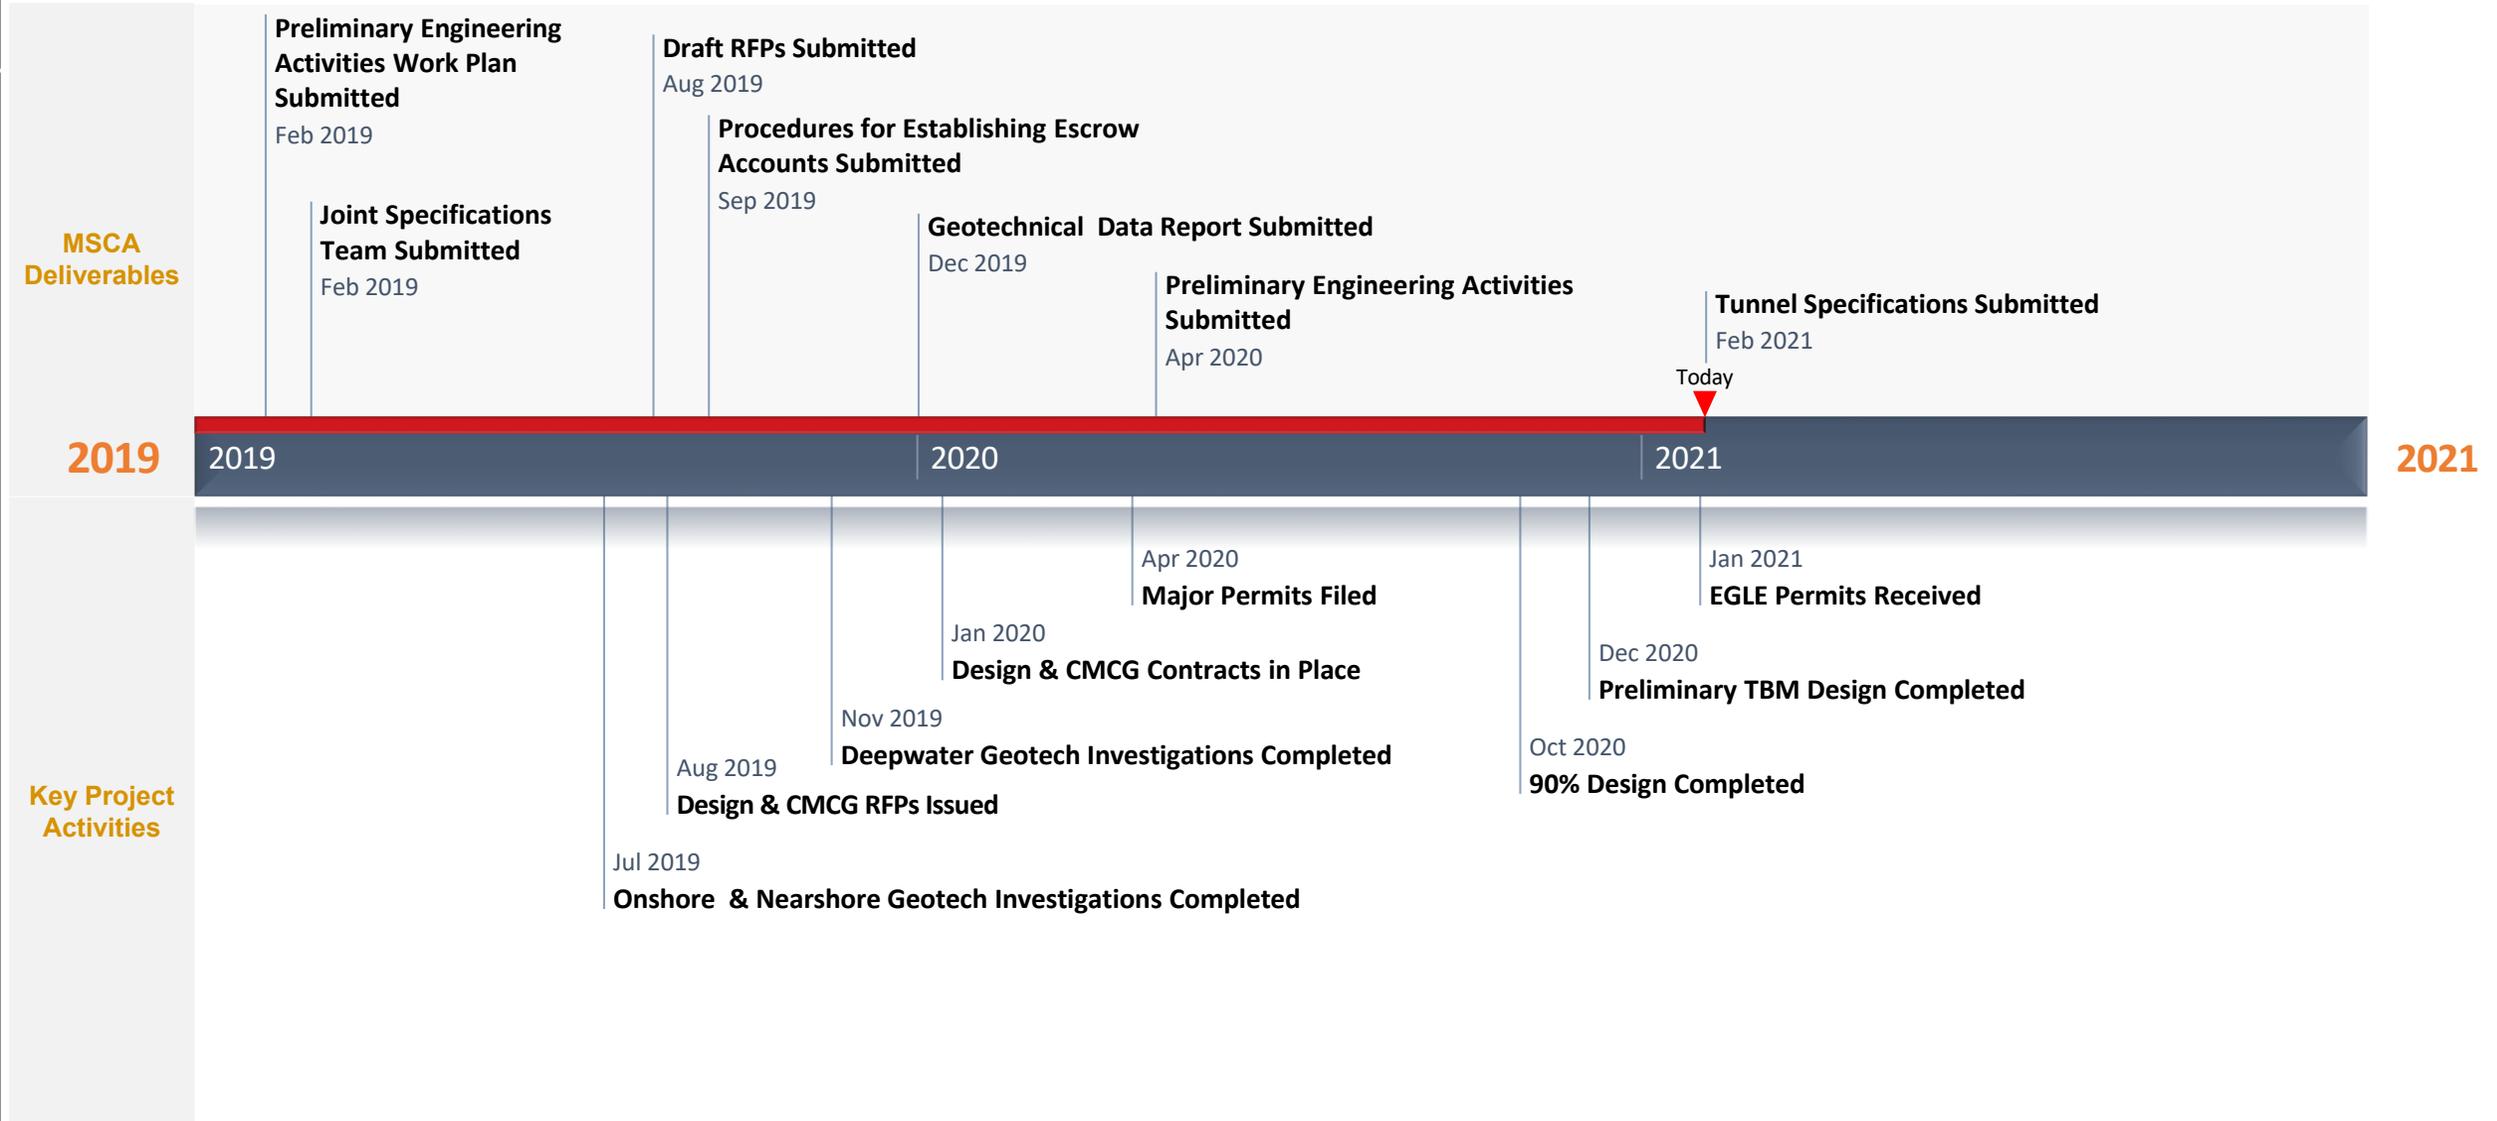

6. Replace the Line 5 St. Clair River crossing under the river bed using HDD

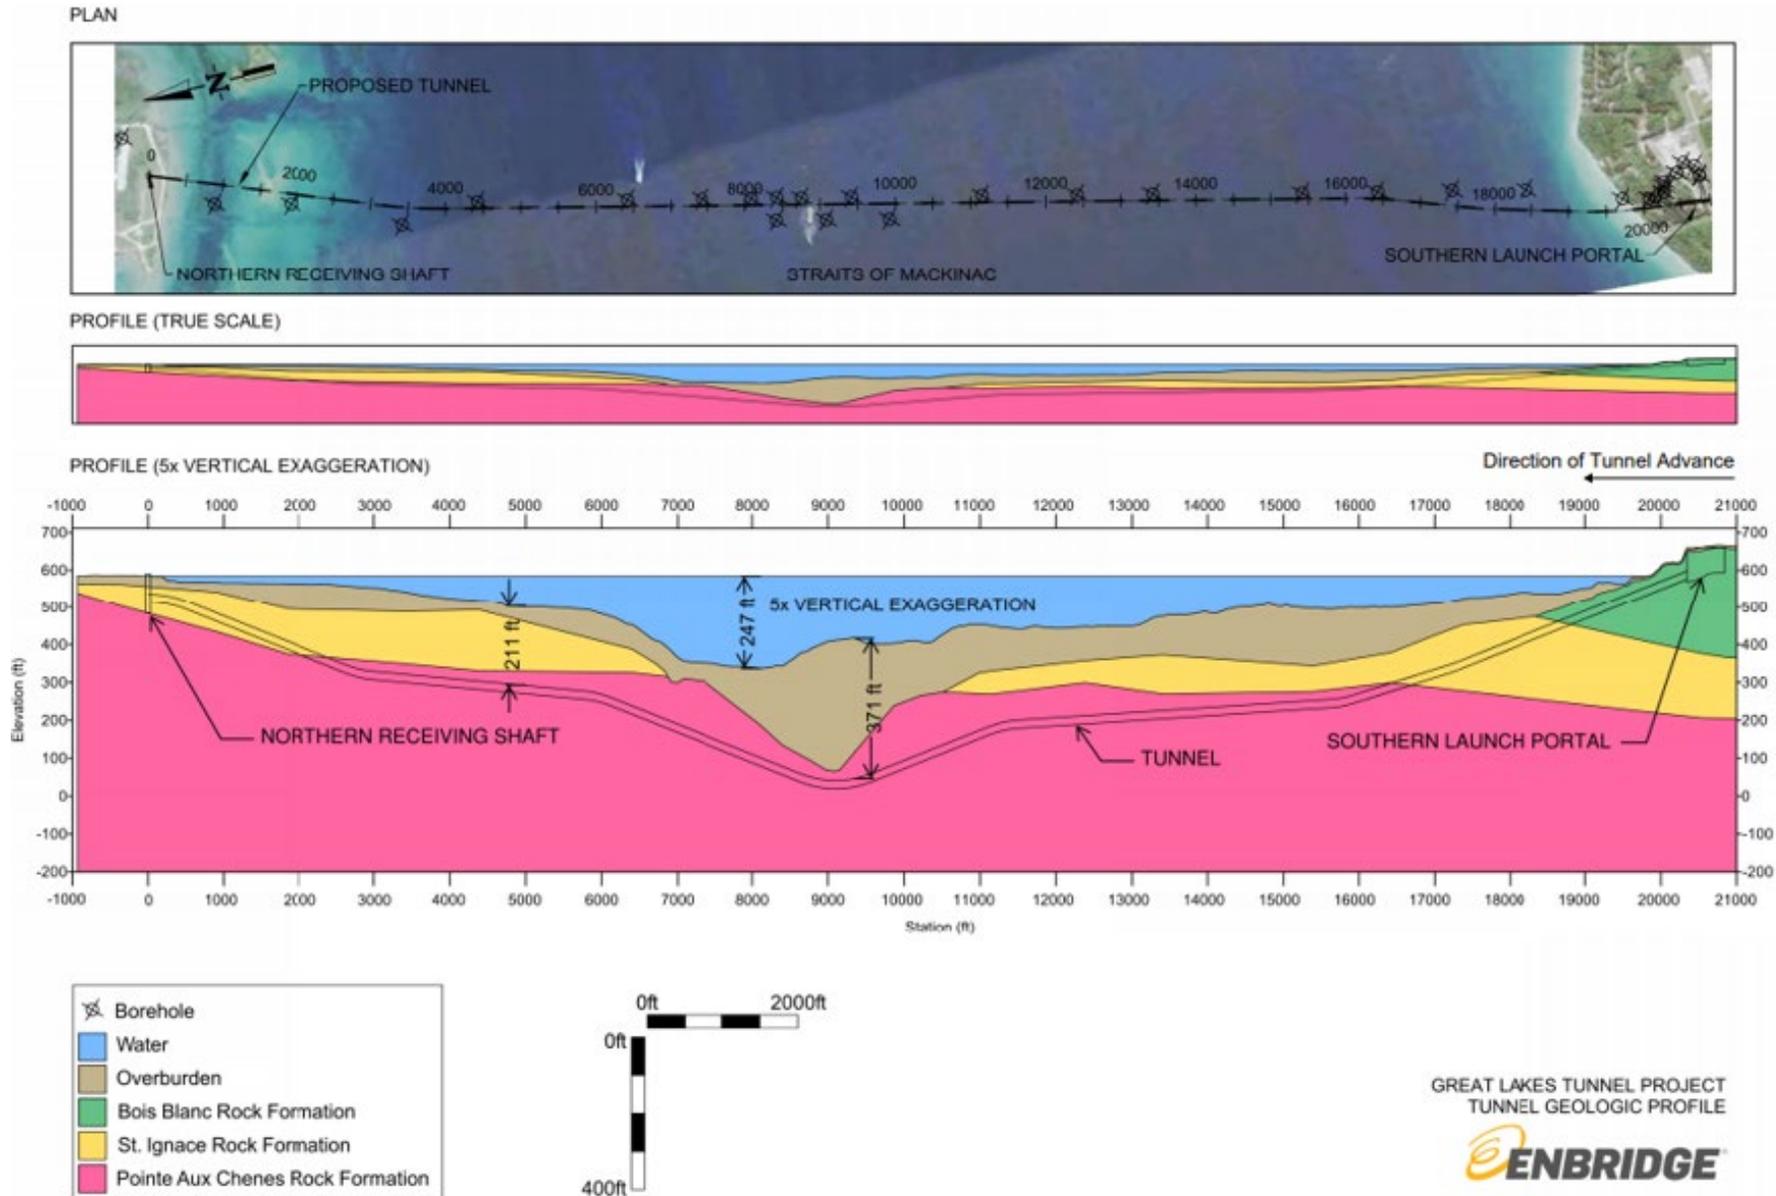

7. Increase coordination with the State and \$1.8 billion spill assurance

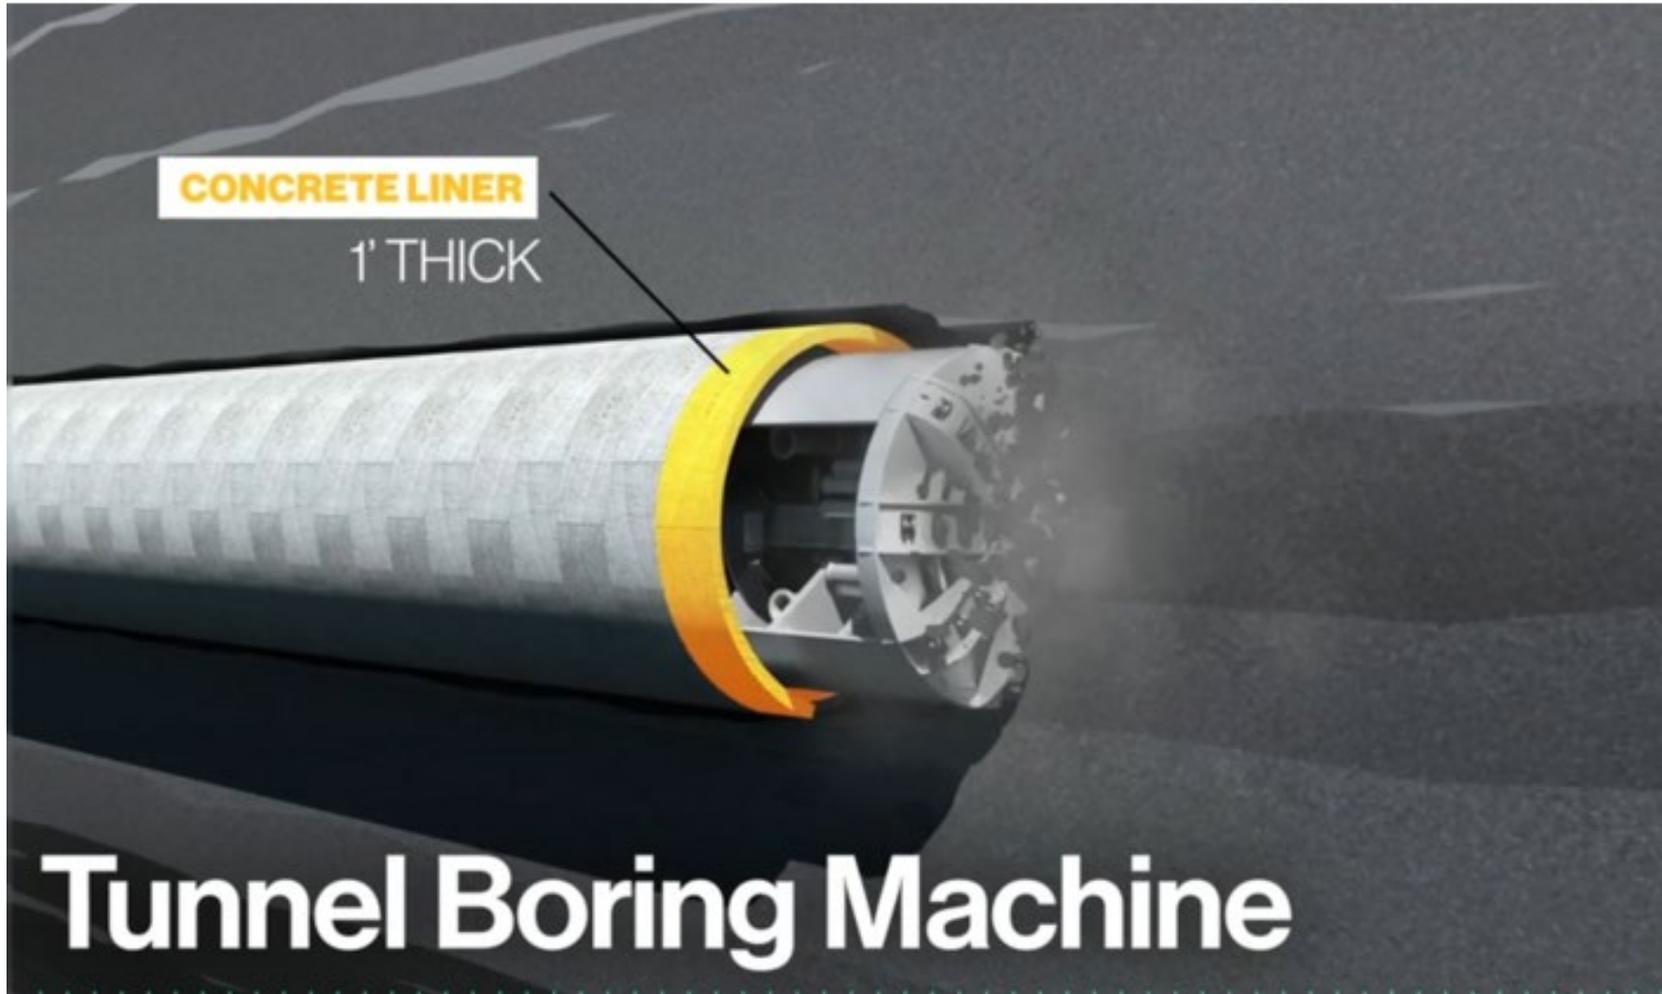

MSCA Deliverables and Key Project Activities Completed to Date

Great Lakes Tunnel Project Tunnel Geologic Profile

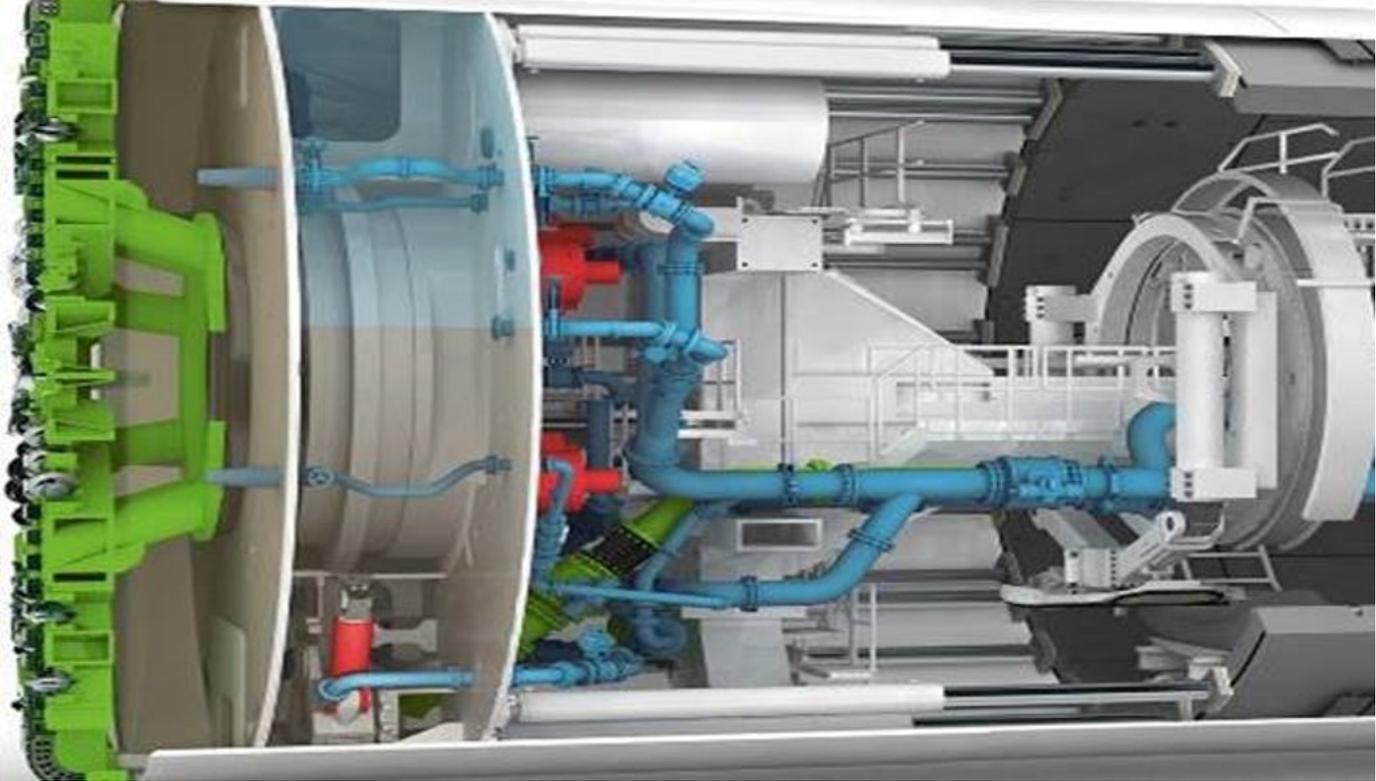

Tunnel Boring Machine (TBM)

- 21' inside diameter,
- Pre-cast concrete lined, open access
- Portal to Shaft design
- 30" pipeline
- Scalable ("Industry Corridor")

Tunnel Boring Machine (TBM)

Space for Third Party Utilities
