Re: Enbridge Line 5 Wisconsin Segment Relocation Project Data Request Responses

Dear Ms. Tekler:

Enbridge Energy, Limited Partnership (“Enbridge”) submitted a Water Resources Application for Project Permits for its Line 5 Wisconsin Segment Replacement Project on February 11, 2020. On March 6, 2020, the Wisconsin Department of Natural Resources submitted a request for additional information. Enclosed are Enbridge’s responses to the information request.

If you have questions about the information presented in this enclosure, please contact me at 218-522-4701 or Tim Drake with ERM at 612-840-9160.

Sincerely,

Cathryn C. Hanson
Supervisor, Environment Projects
